Postage Stamp Day

Prague Castle

Art on Stamps

1982

PHILEXFRANCE Postage Stamp Exhibition

A new printing plate was used to produce a lighter blackish colour on the 1982 version of this stamp.
Exhibition related emblems were added to the coupon and the line around the image made somewhat fainter.
The folds in the fabric on the left side have subdued hatching; for the 1981 stamp the hatching is quite prominent.

1982
